Library Accounts:

For the protection and security of all patrons, a library card is the preferred way of accessing a library account.

1. CW MARS libraries will be allowed to update patron accounts to reflect accurate information with verification. Patrons can update their own information in their CW MARS account or notify library staff of changes to name, address, phone, and email.
2. The “Home Library” location code in the patron account will reflect the town in which the patron resides. Decertified and out of state patrons will have separate location codes. These home library codes will provide nonresident circulation statistics.
3. Patrons are blocked by the system when:
 - a. Their registration expires.
 - b. Patron owes \$10.00 or more in fines, replacement costs, fees.
 - c. Patron has 1 lost item.
 - d. Patron has 50 or more items checked out.
4. Patrons assume responsibility for all items borrowed. Libraries agree that the overdue notice will be issued when an item is two weeks overdue and the billing notice will go out when the item is four weeks overdue. Overdue notices are sent via email. Patrons will receive email reminders 2 days before items are due and overdue reminders 2 weeks after an item’s due date has passed. Eligible items will renew automatically.
5. Overdue notices are mailed as a courtesy only. Patrons are responsible for returning their items on time and paying their fines and fees regardless of whether or not the notification is received.
6. Lost materials are items that have been overdue for more than 4 weeks, or that cannot be found and returned by the patron. Patrons will be charged for each lost item on their account in accordance with CW MARS policy.
 - a. East Longmeadow items that are lost will be subject to a charge for the full replacement cost of that item. No refunds will be issued once the item is billed and paid. East Longmeadow does not accept replacements for lost items.
 - b. For items belonging to other libraries, patrons may log into their account and pay with a credit card or pay in-person by check made out to the owning

library. The check payment will be mailed to the owning library. Patrons will have to contact the owning library in the event they subsequently locate a lost and paid item. Each lending institution has their own policy and procedure in place, and patrons may or may not be issued a refund.

7. There is no initial charge for a library card. Lost or misplaced cards will be issued after showing proper identification and paying a \$2.00 replacement charge.
8. Overdue fines, lost fees, or damaged item fees may be waived at the discretion of the Library Director or designee.
9. Any patron that is a registered borrower at a certified CW MARS member library can log in to their account and review their library record online. While logged in, the patron will see a list of materials borrowed, outstanding requests for library materials, and any fines owed. Patrons will also be able to request items from other libraries through their account online. Each time a patron accesses their account online, they will be required to enter a library card number and Personal Identification Number (PIN). Patrons can request a new PIN by either selecting "Forgot Your PIN?" button and the PIN will be emailed to their address on file, or patrons may contact the circulation desk for assistance in resetting a PIN at 413-525-5400, ext. 1511.
10. Patrons may give permission for another individual to pick up their items on hold. Library Staff will make a notation in the borrower's record noting permissions. The person picking up another patron's items on hold can also present the receiving patron's library card, library card number, or a picture of their library card to Library Staff.
11. Library accounts and their associated personal information are confidential. East Longmeadow Public Library is constrained by the requirements of Chapter 66, Section 10 of the Massachusetts General Laws dealing with access to public records and to the extent that records maintained by the East Longmeadow Public Library are public records under said law. However, Chapter 78 Section 7 of the Massachusetts General Law addresses borrower confidentiality. It states: "That part of the records of a public library which reveals the identity and intellectual pursuits of a person using the library shall not be public record..." Therefore, confidential library records will not be released or made available in any format to a federal agent, law enforcement officer, or other person unless a court order in proper form has been entered by a court of competent jurisdiction.
12. Only the Library Director is authorized to accept and respond to court orders or other requests for circulation or registration records.
